

Special Notice

Due to the restrictions for public meetings due to the COVID-19 pandemic; We are required to allow only 25 people, including the township board members in the meeting room at the Ovid Township Hall. For this reason, the April board meeting will be a hybrid meeting allowing those not allowed in the room to participate online through Zoom. Since this meeting will also include information regarding the amended zoning ordinance from the planning commission; we will allow for a short discussion period prior to any action by the board. This discussion will be limited to **NEW** information only, not discussed already, or opinions given at the planning commission workshops, and meetings. Since we have been present at those meetings or have reviewed the public comments given; we are already familiar with opinions, and comments from both sides of the issue, and see no reason to go over them again.

Thank you for your cooperation.

Greg Gemmill – Ovid Township Supervisor
