Shelly AcMoody and Amy Havasy presented updated information from MTA regarding the process of handling special assessments. It was suggested by MTA that the township form a commission to institute policy/procedure for any special assessments. Larry Omo made a motion that, due to the recent resignation of the Township Supervisor, the updated information from MTA, and the time frame the lake association presented with the petitions for the assessment to be established, the Township not take on the Rose/Bingham Lake special assessment at this time.
